 - **Telephone number:** 0213004078;
 - **Email address:** support@funderjet.co.za

- **Site address:** www.funderjet.co.za
- c. Funderjet may instruct Operators from time to time to undertake certain Processing activities relating to the Data Subjects' Personal Information

7. DATA and/or PERSONAL INFORMATION

- a. Funderjet may collect the following data and/or Personal Information from the Data Subject:
- Information relating to the race, gender, sex, pregnancy, marital status, national, ethnic or social origin, colour, sexual orientation, age, physical or mental health, well-being, disability, religion, conscience, belief, culture, language and birth of the Data Subject;
 - Information relating to the education or the medical, financial, criminal or employment history of the Data Subject;
 - Any identifying number, symbol, e-mail address, physical address, telephone number, location information, online identifier or other particular assignment to the Data Subject;
 - The biometric information of the Data Subject;
 - The personal opinions, views or preferences of the Data Subject;
 - Correspondence sent by the Data Subject that is implicitly or explicitly of a private or confidential nature or further correspondence that would reveal the contents of the original correspondence;
 - The views or opinions of another individual about the Data Subject; and
 - The name of the Data Subject as it appears with other Personal Information relating to the Data Subject;
 - The credit information and history of the Data Subject; and
 - Any other Personal Information that may be provided by the Data Subject to Funderjet or obtained by Funderjet or required by Funderjet in relation to the provision of the services of Funderjet to the Data Subject.
- b. Funderjet may collect and/or use Cookies on its Platforms to:
- distinguish one Data Subject from another on its Platforms;
 - remember the Data Subject's last session when the Data Subject returns to the Platforms;
 - estimate the Platform's audience size and usage patterns;
 - store information about the Data Subject's preferences, which allows Funderjet to customise the Platforms and content according to the Data Subject's individual preferences; and
 - speed up searches on the Platforms.
- c. The provisions of clause 5.2 are only applicable to Cookies used by Funderjet. In some instances, third-party service providers may use Cookies on the Platforms in which case Funderjet shall not be held liable or be responsible for the protection of the Data Subject's Personal Information.
- d. A Data Subject has the right and ability to either accept or decline the use of Cookies on its electronic device's web browser, whether the Data Subject is logged in as a User, or simply casually visiting the Platform. However, declining the use of Cookies may limit the Data Subject's access to certain features on the Platforms.
- e. The supply of Personal Information by a Data Subject to Funderjet is voluntary and not mandatory. However, should the Data Subject refuse to supply any Personal Information, certain consequences may be applicable in such instances, such as preventing Funderjet from concluding or performing any contract with the Data Subject or preventing Funderjet from complying with one or more of its obligations in law.

8. PURPOSE/S of COLLECTION and PROCESSING of PERSONAL INFORMATION

- a. Funderjet shall only collect and Process the Data Subject's Personal Information for a specific, explicitly defined and lawful purpose relating to a function or activity of Funderjet's business.
- b. Such purposes may include the following:
 - To make the decision whether or not to enter into a contract with the Data Subject or allow the Data Subject to contract with other Users on the Funderjet Platform;
 - To display to other Users of Funderjet, so as to enable potential loans or investments under the Funderjet Site portal to be entered into between the Data Subject and other Users;
 - To perform any obligations under a contract with the Data Subject;
 - To comply with a legal obligation;
 - To protect a legitimate interest of the Data Subject (unless the Data Subject has specifically objected in writing to all or some of the Processing activities on reasonable grounds);
 - To pursue its own legitimate interests or the legitimate interests of a third party whom it is sharing the information with (unless the Data Subject have specifically objected in writing to all or some of the Processing activities on reasonable grounds);
 - To Process Personal Information for credit reporting purposes;
 - To Process Personal Information for direct marketing purposes (unless the Data Subject has opted out of receiving any direct marketing material);
 - To present content to the Data Subject in the most effective way for the Data Subject and the Data Subject's viewing device and browser;
 - To customise and display content including, but not limited to products, articles, listings and advertisement to the Data Subject in a way that Funderjet believes may interest the Data Subject or be most beneficial to the Data Subject;
 - To send content including, but not limited to products, articles, listings and advertisement content to the Data Subject via email or other electronic media, where the Data Subject have consented to be contacted by Funderjet with such content;
 - To enable the Data Subject to voluntarily participate in interactive features on the Site;
 - To notify the Data Subject about changes to its Platforms; and/or
 - To contact the Data Subject regarding their contracts concluded through the Site.
- c. Funderjet will not sell the Data Subjects' Personal Information to any third party without the prior written consent of the Data Subject.

9. METHOD OF COLLECTION

- a. Funderjet shall, as far as possible, always collect Personal Information about the Data Subject directly from the Data Subject, except in the following circumstances:
 - where Personal Information is collected from a public record, or from another source if the information has already been made public by the Data Subject;
 - where the Data Subject has given their written consent to Funderjet to collect the Data Subjects' information from another source;
 - where the collection of the Data Subjects' Personal Information from another source will not prejudice any of the Data Subjects' legitimate interests;
 - where the collection of Personal Information from another source is necessary to maintain Funderjet's legitimate interests or those of any third party it intends sharing the information with;
 - where the collection of Personal Information directly from the Data Subject would prejudice and/or defeat the purpose for the collection; and

01 December 2023

- where the collection of Personal Information directly from the Data Subject is not reasonably practicable in the circumstances.
- b. If Funderjet collects Personal Information from a source other than the Data Subject, it shall record in writing the details of that source, including the full names and contact details of that source where applicable.
- c. The Data Subject hereby consents to Funderjet requesting and obtaining credit information pertaining to the Data Subject from any reputable credit reporting agency or institution for the purpose of concluding any transaction offered by Funderjet through its Platforms.
- d. Personal Information may be collected from or supplied by the Data Subject in any of the following ways:
 - during the Process of registering as a User on a Platform;
 - provided by the Data Subject as part of the Data Subject's profile pages on the Platforms;
 - when subscribing to a service, entering into a competition or promotion, or participating in a survey offered on its Platforms;
 - when posting a comment, review, reply or recommendation its Platforms;
 - when requesting further services or information from Funderjet and/or other Users of the Site;
 - when contacting Funderjet to report a problem with a Funderjet Platform or for any other reason; and
 - when completing any forms on a Funderjet Platform.
- e. The Data Subject may visit a Platform without providing any Personal Information. However, the Sites servers may still collect technical information regarding the use of the Site, which is aggregated for analytical purposes, technical maintenance and for improving the content offered on the Site. Such information may include details of the Data Subject's visit, information about the Data Subject's electronic device, including IP (Internet Protocol) address, operating system and browser type, the Data Subject's location, and usage information.
- f. Where a Data Subject will not be identified from or by this information, in clause **9.e**, Funderjet is entitled to copy, distribute or otherwise use such information without limitation.

10. COMPLIANCE WHEN PROCESSING PERSONAL INFORMATION

- a. Funderjet shall comply with all laws, contracts and/or regulations when it Processes the Data Subject's Personal Information.
- b. Funderjet shall not act outside the limitations set by law and this Policy when Processing the Data Subject's Personal Information. This means that it will collect and Process the Data Subject's Personal Information in a way that is fair and reasonable.
- c. Funderjet shall respect the Data Subject's right to privacy at all times. If there is another method in which it can achieve the same goal without posing any risk of harm to the Data Subject's privacy rights, then it will follow same.
- d. Similarly, if Funderjet is required to Process Personal Information and there are less privacy-invasive methods of collecting, using and sharing same, then it will implement said methods.
- e. Not derogating from the above, the Data Subject agrees that the Personal Information collected by Funderjet on its Platforms are necessary and rationally required by Funderjet.
- f. Funderjet shall ensure that the Personal Information that is collected and Processed is and remains relevant to the identified purpose/s for such Processing, and that such information is and remains adequate, but not excessive, for achieving the identified purpose/s.

01 December 2023

- g. If there are any alternative ways to achieve the identified purpose/s without Processing Personal Information, Funderjet shall not Process that Personal Information.
- h. Funderjet shall ensure that the Processing activities it implements are proportionate to achieving the identified purpose/s and that no less privacy invasive measures are available to achieve the same purpose/s.
- i. Funderjet shall ensure that, regardless of the stated purpose/s for Processing Personal Information, the rights and interests of Data Subjects will not be unnecessarily prejudiced or infringed, unless it cannot be avoided, and then in such case, it shall ensure that its own rights and/or interests justify such prejudice or infringement taking place.
- j. Once Funderjet has achieved the purpose for the collection of the Data Subject's Personal Information, it will destroy or delete such information, unless the Data Subject has directed otherwise in writing, or Funderjet is required by law to retain the information for a longer period of time.
- k. If Funderjet is no longer required to Process Personal Information to achieve the purpose originally specified, it will cease to Process that information.

11. DISCLOSURE OF INFORMATION

- a. Funderjet may, in the course of providing any content or services on its Platforms, or for the purposes of concluding or performing any transaction with the Data Subject, share certain Personal Information with Operators who perform specific Processing activities on behalf of Funderjet.
- b. The categories of Operators with whom it is shared is set out below:
- c. Banks or other financial institutions where the Data Subject maintains or has maintained bank accounts, loan accounts and/or other financial portfolio accounts;
- d. Credit bureau service providers whom are registered for this purpose;
- e. Service providers who provide Funderjet with legal assistance, accounting or auditing services, payroll services and/or other services utilised to effectively operate the Funderjet business;
- f. Delivery and courier service providers;
- g. Payment gateway provider;
- h. Bulk email delivery providers; and
- i. Any other service provider employed by Funderjet to achieve its purposes.
- j. Funderjet may also share aggregated information about the Data Subject, and its usage patterns. Funderjet may also use such aggregated information to help advertisers target specific audiences. Such aggregated information will be de-identified, and the Data Subject's Personal Information will not be disclosed.
- k. Other than as stated in this clause, Funderjet shall not share the Data Subject's Personal Information with any third parties unless it has the Data Subject's express consent to do so.

12. DATA SUBJECT'S RIGHTS

- a. The Data Subject shall have the following rights in relation to the Processing of their Personal Information:
 - to access and correct any Personal Information held by Funderjet about them;
 - to object to the Processing of their information; and
 - to lodge a complaint with the Information Regulator.

01 December 2023

- b. The Data Subject may make a request in relation to this clause by following the Process as set out in Funderjet's PAIA manual

13. FURTHER PROCESSING

- a. Funderjet shall not Process the Data Subject's Personal Information for any purpose not previously specified except in the following circumstances:
 - where the Data Subject has consented to such further Processing;
 - where the further Processing is necessary for the exercise of any contractual rights or the fulfilment of any obligations between Funderjet and the Data Subject;
 - where the further Processing activities are linked to or compatible with the original purpose;
 - where the further Processing is necessary for the prevention, detection, investigation, prosecution and punishment of an offence;
 - where the further Processing is necessary to enforce any law;
 - where the further Processing is necessary for the conduct of legal proceedings in any court or tribunal that have commenced or are reasonably contemplated;
 - where the further Processing is necessary to prevent or mitigate a serious and imminent threat to the life or health of the Data Subject or another individual;
 - where the further Processing is necessary for historical, statistical or research purposes.
- b. Funderjet shall ensure that if it intends Processing Personal Information for other purposes not previously specified, it shall notify the Data Subject of such further purposes and the possible consequences of the intended further Processing for the Data Subject.

14. ACCURACY, CORRECTNESS, AND COMPLETENESS OF PERSONAL INFORMATION

- a. Funderjet shall take reasonably practicable steps to ensure that the Personal Information kept by it about the Data Subject is complete, accurate, not misleading and is updated when necessary.
- b. However, if the Data Subject is aware of any Personal Information in Funderjet's custody that is incorrect, inaccurate or which needs to be updated, the Data Subject must make a written request to Funderjet's information officer at info@Funderjet.co.za to update or correct the relevant information.
- c. If the Data Subject has contested the accuracy of any Personal Information being used by Funderjet, it shall immediately stop using that information until its accuracy has been verified.
- d. Funderjet reserves its right to only adhere to a request from the Data Subject in terms of this clause if the correction or updating of that information will result in the Personal Information being correct and accurate.
- e. Where Personal Information that has been shared by Funderjet with a third party is subsequently updated or corrected, Funderjet shall ensure that all third parties, with whom that information was shared and is still utilising such information at that point in time, receives the updated and/or corrected version of the information as soon as it has been updated and/or corrected.

15. SECURITY SAFEGUARDS

- a. Funderjet is committed to protecting the Personal Information in its custody against any loss of, damage to or unauthorised destruction of that information, and to prevent any unauthorised parties from accessing that information.
- b. Funderjet takes steps to continually identify and document any risks to the Personal Information it has in its possession or under its control and that appropriate security safeguards are in place against those risks.

01 December 2023

- c. Funderjet shall ensure that in any contracts entered into with Operators who Process Personal Information on its behalf, include the following obligations:
- the Operator shall not Process any Personal Information without Funderjet's knowledge and authority;
 - the Operator shall treat all Personal Information given to it as confidential and shall not disclose it to any unauthorised third parties;
 - the Operator shall establish and maintain adequate security measures which are the same or offer similar protection over the Personal Information as that employed by Funderjet;
 - the Operator shall notify Funderjet immediately where there are reasonable grounds to believe that any Personal Information has been leaked to or accessed by any unauthorised person;
 - if the Operator is situated in another country, it must comply with the data protection laws in that country, in addition to complying with the provisions of POPIA, and be able to provide verification that it is so compliant;
 - if an Operator is legally obliged to disclose any Personal Information Processed by them on Funderjet's behalf to other parties, it must notify Funderjet beforehand to enable Funderjet and/or the Data Subject to protect the Data Subject's rights if necessary.
- d. The Data Subject must maintain the secrecy of any passwords used to gain access to its Platforms and the Data Subject should change such passwords regularly.
- e. Funderjet shall ensure that all Personal Information on its systems is properly backed-up and that back-up copies are stored separately from the live files.
- f. As the internet is not a secure medium of communication, Funderjet cannot guarantee the security of any information the Data Subject may create, input or share on its Platforms or send to Funderjet via the internet. Funderjet is not, and will not be, responsible for any damages the Data Subject or others may suffer as a result of the loss of confidentiality of any such information.

16. NOTIFICATION OF BREACH OF SECURITY

- a. If Personal Information about the Data Subject is inadvertently leaked or Funderjet's security has been unlawfully breached by any unauthorised party, Funderjet shall immediately identify the relevant Users who may be affected by the security breach, and shall contact them at their last known email address or contact details or by the quickest reasonable means possible.
- b. Funderjet shall provide sufficient information to the Data Subject to allow the Data Subject to take the necessary protective measures against the potential consequences of the compromise or shall advise the Data Subject of the steps to be taken by the Data Subject and the possible consequences that may ensue from the breach for the Data Subject.

17. DECISIONS BASED ON PERSONAL INFORMATION PROCESSED

- a. If Funderjet is required to make a decision about the Data Subject using any Personal Information that has been obtained, it shall ensure that a record of such information and the decision made is kept for a reasonable period of time to give the Data Subject an opportunity to request access to that record.
- b. Funderjet may allow the Data Subject a reasonable opportunity to make representations before any decision is made solely on the basis of the Personal Information Processed, if that decision will affect the Data Subject's legal position, or will otherwise adversely affect the Data Subject in some manner or form.
- c. Funderjet shall always ensure that, the underlying logic behind any decision made pursuant to the automated Processing of Personal Information, is sound, and that this underlying logic may

01 December 2023

be able to be communicated to the Data Subject, to enable the Data Subject to make representations.

- d. If Funderjet has made a decision based on incorrect Personal Information, it shall immediately revisit that decision as soon as it receives notice or becomes aware of the error or inaccuracy of such information.

18. LINKED THIRD PARTY SITES

- a. Funderjet's Platforms may contain links or references to other websites, including those of advertisers ("third party sites") which are not under Funderjet's control.
- b. The provisions of this Policy are not applicable to third party sites and Funderjet shall not be responsible for the information Processing practices and/or privacy policies of those third-party sites, or the Cookies that those websites may use.

19. DIRECT MARKETING

- a. The Data Subject hereby consents to the Processing of the Data Subject's Personal Information for the purpose of direct marketing by means of electronic communications including automatic calling machines, facsimile machines, SMS's or electronic mail.
- b. Where the Data Subject is a pre-existing customer of Funderjet, Funderjet shall be entitled, without the Data Subject's consent, to send electronic communications to the Data Subject for the purpose of marketing similar products or services offered by Funderjet.
- c. The Data Subject may object, free of charge, and without unnecessary formality, to the use of their details either when the information was first collected from the Data Subject or when each subsequent electronic communication is sent to the Data Subject by Funderjet and/or its subsidiaries.
- d. The Data Subject can opt out of receiving further marketing communications by un-checking certain boxes on the forms used on the Site to collect their Personal Information, or by contacting Funderjet at support@funderjet.co.za.

20. MINORS' PERSONAL INFORMATION

- a. Funderjet does not knowingly Process any Personal Information relating to a natural person under the age of 18 years. If Funderjet's Platforms is being accessed by the parent or guardian of a child under the age of 18 years, and Personal Information pertaining to that child is being provided by the parent or guardian, then they hereby expressly consent to Funderjet Processing such information according to the further provisions of this Policy.

21. CROSS BORDER TRANSFERS OF PERSONAL INFORMATION

- a. Subject to the clauses set out in this Policy, Funderjet does not intend on sharing the Data Subject's Personal Information with a third party in another country.
- b. Funderjet may transfer Personal Information to another country in the following circumstances, to which the Data Subject consents:
 - the transfer is necessary for the performance of a contract that Funderjet has with the Data Subject or the performance of services offered by Funderjet to the Data Subject;
 - the transfer is necessary for the implementation of pre-contractual measures taken in response to the Data Subject's request;
 - the transfer is necessary for the conclusion or performance of a contract with a third party which is for the benefit of or in the interest of the Data Subject;
 - the transfer is otherwise for the benefit of the Data Subject;

- the Data Subject have consented to the transfer of its information; or
 - to store the Data Subject's Personal Information electronically in a secure database, which shall be done by electronically transmitting the Data Subject's Personal Information via a secure connection to, and storing the Data Subject's Personal Information electronically in, a secure database hosted in an ISO27001 certified environment. The Data Subject's Personal Information shall be hosted with an offshore hosting partner which is a European Union member, or a local off-site hosting partner of similar standard, where either of these options are to be compliant with the EU Data Directive which provides data protection which is at least as protective as POPIA , as selected by Funderjet from time to time.
- c. The service providers to which Funderjet discloses the Data Subject's Personal Information in terms of this Policy/or any other Funderjet agreement have the right to electronically transmit the Data Subject's Personal Information via a secure connection to, and store the Data Subject's Personal Information electronically in, a secure database hosted outside South Africa, provided they have security and privacy policies and procedures providing at least the same level of protection as Funderjet does.

22. RETENTION OF INFORMATION

- a. Funderjet will keep a record of any Personal Information collected for no longer than is necessary to achieve the specific purpose for which it collected such information in the first place unless:
- it is required by law to keep a record of such information for a longer period of time; or
 - it needs to keep a record of such information for another lawful purpose; or
 - it has a contractual obligation to keep a record of such information; or
 - the Data Subject has consented to their information being kept for a longer period.
- b. Funderjet may, if it has de-identified Personal Information, keep such information for historical, statistical or research purposes. Funderjet shall ensure that appropriate safeguards are in place to prevent those records from being used for any other purposes, or against the information being re-identified.

23. INFORMATION SECURITY

- a. Funderjet's information and communication technologies and systems are critical to its operations. The reliance on such technologies and information (data) housed in such technologies are of significant importance to it.
- b. In order to ensure continuity and efficient recovery in the event of a failure of such technologies and resulting loss of said data, Funderjet has and will continue to engage specific service providers to implement recovery solutions.
- c. These security measures are subject to the service providers undertaking to maintain the confidentiality of any Personal Information as defined in POPIA.
- d. Funderjet is legally obliged to provide adequate protection for the Personal Information it holds and to stop unauthorised access and use of Personal Information. Funderjet, on an ongoing basis, continues to review its security controls and related processes to ensure that its Data Subject's Personal Information is secure.
- e. When Funderjet contracts with third parties, it imposes appropriate security, privacy and confidentiality obligations on them to ensure that Personal Information that it remains responsible for, is kept secure.

01 December 2023

24. RETURNING, DESTROYING AND/OR DELETING PERSONAL INFORMATION

- a. Where Funderjet is no longer authorised to retain a record of any Personal Information, it shall either:
 - ensure that the information is permanently destroyed or deleted as soon as reasonably practicable; or
 - return the information to the Data Subject or transfer it to a third party, if requested by the Data Subject in writing to do so.

25. USER FORUMS ON THE FUNDERJET PLATFORMS

- a. If the Data Subject posts content to or comment on another User's posts on a User forum on Funderjet's Site, the Data Subject's views will be available to all persons who can access the forum.
- b. If the Data Subject publishes any of the Data Subject's Personal Information onto a forum, Funderjet will not be responsible for how other people make use of or Process that information. Funderjet reserves the right not to publish or to remove any posts it considers inappropriate.

26. CHANGE OF CONTROL

- a. If Funderjet merges with, or is acquired by, any other business, the Data Subject will be notified and any Personal Information that Funderjet holds about the Data Subject will become available to that other business, only in terms of the detailed terms of use of this Policy.

27. CONSENT

- a. The Data Subject hereby consents to the Processing of the Data Subject's Personal Information in terms of the provisions of this Policy.
- b. The Data Subject acknowledges and agrees that such consent has been given voluntarily after the Data Subject has read and understood the provisions of this Policy, in particular, regarding the following:
 - the types of Personal Information to be Processed;
 - the specific Processing activities to be undertaken;
 - the specific purpose/s for such Processing; and
 - the possible consequences for the Data Subject that may arise from such Processing.
- c. Should the Data Subject wish to withdraw any consent previously given by the Data Subject, the Data Subject must notify Funderjet's information officer in writing. The Data Subject has the right to withdraw any consent at any time, demand that the Processing of their Personal Information be terminated and the gathered Personal Information be deleted or closed and that the Funderjet User account be closed, provided that the Data Subject does not have any ongoing activity whether as a Borrower and/or Investor on the Site.

28. LODGING AN OBJECTION

- a. The Data Subject may, on reasonable grounds, object to the Processing of the Data Subject's Personal Information at any time after that Processing has commenced.
- b. If the Data Subject wishes to object to the Processing of their Personal Information, the Data Subject must send written notice of their objection to Funderjet's information officer, together with reasons of such objection.
